Dead Ever After marked the end of the Sookie Stackhouse novels a series that garnered millions of fans and spawned the hit HBO television show True Blood.

[After Dead: What Came Next In The World Of Sookie ...](#)
After Dead was a very strange and unfulfilling follow up to the Sookie Stackhouse universe. Harris writes short (often only a sentence or two long) notes on what happened to the different characters after book 13. However, many of the included characters are minor, forgettable people that readers probably don't really care about, and several of the more popular characters suffered through
