[Alice in Wonderland \(2010\) - IMDb](#)

Alice in Wonderland is a case in point. It's a movie where CGI effects rule the day. But the trouble is that the true weirdness that is at the heart of this story is not captured at all with all the computer-generated imagery on-screen. Sure it's very efficient and well-designed but like CGI in general, it's far too polished to really strike a chord and convince. There is a distinct lack of
