Big mouth and Ugly girl describe what teenagers go through in high school and what turns a student life upside-down. I liked the way they meet each other as the ugly girl (Ursula). She is a girl who doesn't in connect with people but she doesn't like the wrong judgments around the big mouth (Matt). Also, what I like in this book is that they tried to learn from each other and help each other.

" Big Mouth and Ugly girl was pretty interesting in a way, of love and battle. How two people who could be brought together who somehow fit and yet dont in some way. This was a good book. Kind of a slow read for me."
