THE FIRST PHONE CALL FROM HEAVEN is written from an omniscient point of view, which is fitting for the topic. It's as if the author is looking down on the scene, describing the details of the event, and telling about the characters involved, but without their personal emotion.

There is a large cast, and Sully is probably the closest to a main character as you can get, but he doesn't stand

The First Phone Call from Heaven lacked substance considering the content it could have drawn on. The thought of a loved one conversing from heaven was an excellent subject matter. Along the line of Mitch's other books I expected a perspective that may have included a polar opposition of science and religion, or the inclusion of a newly discovered dimensional connection. The spirit of hope and

First Phone Call from Heaven had a good mystery and an

equally good resolution to it (the climax of the novel was riveting). My favourite character was Sully and I liked the jet scenes. My favourite character was Sully and I liked the jet scenes.
