[The Mermaid Chair by Sue Monk Kidd - Goodreads](#)  
In "The Mermaid Chair" I found the plot to be only mildly entertaining and the characters lacking in development.

The main character I found to be whiny, annoying, selfish, and someone I just couldn't connect to on any level. T

The Mermaid Chair, by Sue Monk Kidd. Forty-two-year-old Jessie Sullivan, devoted wife and mother, has lived her life "molded to the smallest space possible, my days the size of little beads that passed without passion through my fingers." Married to loving if uninspiring Hugh, with a daughter in college, Jessie is having a hard time finding passion for her marriage or for the artistic creation.

The mermaid chair extends this emancipation further to the understanding of this woman's, mother's and father's relationship. With enlightenment, the main character is able to return home to develop a greater sense of self. It was a novel that I had to read in its' entirety before it truly came together.
