Witchcraft Spells and Potions

Spells and potions tend to go together in people's mind when they think of witchcraft, even though "potions" are more of a Hollywood invention. Nonetheless, they can be a realistic aspect of your spellcraft and there are real spells that use potions out there.

SRD:Potions - D&D Wiki - dandwiki.com

Potions are like spells cast upon the imbiber. The character taking the potion doesn't get to make any decisions about the effect the caster who brewed the potion has already done so. The drinker of a potion is both the effective target and the caster of the effect (though the potion indicates the

caster level, the drinker still controls the effect). The person applying an oil is the
