Motivation and attitudes towards learning English as a ...

The role of attitudes and motivation in second or foreign language acquisition has been confirmed by many researchers (Gardner, 1979; Krashen & Terrell, 1983; Brown, 1987). In a foreign language learning context or environment, students seldom have not had enough experience with target language community to have attitudes for or against it. Affective

The Effect of Motivation on Language Learning Essay

...

The concept of motivation has been the subject of many studies and is considered a crucial determinant of successful achievement in the field of language learning. A motivating learning environment has to support the education process. It generates learning initially and later will guide the process.
